

Character Descriptions for Baskerville:

The challenge to the actors playing the detective and his side-kick will be breathing new life into these famous literary characters:

- **Sherlock Holmes:** brilliant detective with quick mind, solver of mysteries, seeker of justice, lacking in social skills, arrogantly secure in his own intelligence, possessor of dark secrets. (age range 30's -70's)
- **Dr. Watson:** loyal companion, admirer of Holmes, not as quick witted, likeable, willing to help. (age range 30's – 70's)

Supporting Cast Members play numerous roles as the story unfolds. The challenge to these actors will be developing a range of characters requiring varying dialects, body language, and lightning quick costume changes: (Flexible age range)
